

PHANTOM CREEK
ESTATES

Facilities Janitor – Phantom Creek Estates

At Phantom Creek we have created an exclusive brand experience for our guests to enjoy exceptional wine and a meal with breathtaking views in the heart of Oliver, B.C. We pride ourselves in delivering best in class service through strong culture of collaboration and communication with our diverse team members, a winning attitude and passionate about leaving a legacy.

Who we are?

Phantom Creek represents the vision of the Bai family to build one of the leading wineries in Canada. It was a quest that led them to the Black Sage Bench and two of the Okanagan's historic vineyards: Phantom Creek and Becker Vineyards. Today, Phantom Creek focuses on single-vineyard Bordeaux reds, Alsatian whites, and the Okanagan's benchmark varieties of Viognier and Syrah from storied vineyard sites. Led by the tireless efforts of our vineyard team, our estate vineyards are farmed naturally, organically, and biodynamically. All overseen by Olivier Humbrecht, Frances first Master of Wine.
